BECOME ONE OF THE 24

As a church we have the rare opportunity to save money while here at the Hilton Hotel. The Hotel have been extremely kind to us and have made this space affordable to us. We are looking for 24 people who will stand with us and commit to \$45 per month above tithe and offering. This special group of givers will cover all of the church's expenses which will allow all of the Tithe and Offering to go directly to our savings. Join this special group today on line.
